Program Statement

Avenue City R-IX Preschool is designed to meet the developmental needs of three and four year olds in Avenue City and the surrounding area. An enrollment of 20 students is the maximum the district will take each year. The school district's preference is that students attend all day preschool. Parents preferring partial day preschool may pick up their child when they like but the tuition cost will stay the same.

Placement in preschool is determined by the following priorities:

1) In-district families of 4 year olds who are returning from last year.
2) In-district 4 year olds who are new to the program.
3) In-district families of 3 year olds.
4) Out-of-district families of 4 year olds who are returning from last year.
5) Out-of-district students who are 4 years old.
6) Out-of-district students who are 3 years old.

February 1st is the first date the district will take enrollment forms and March 12th will be the deadline to enroll your child for Preschool to guarantee the priority status. The $50.00 registration fee must be included with the enrollment form.
