

For the week of Jan. 23-27

Second Grade

Reading – We will be back in our textbook this week. We finished reading our *Magic Tree House Book*. Everyone loves this series, and the second graders will be reading more of these books on their own so you may see them come home in their backpack. Please encourage them to read as many of these books as they can. They are good and build great reading skills. The textbook will come home on Tuesday. We will be working on cause and effect.

Math – We are working and practicing with 2-digit addition, and we are learning how to memorize the subtraction facts.

English – We are learning about verbs and will be learning about putting endings on verbs and correct tenses. We will also be continuing to improve our stories we have written with Mrs. Wagner.

Spelling – Normal week, words on Monday, sentences on Tuesday, pre-test on Wednesday and final test on Friday.

Science – We will finish discussing different types of life cycles.

Social Studies – We have begun discussing Native Americans. We will be learning their way of life with the Plains and Woodland Indians.

Share Time – Bring an item of your choice.

Reminders

Thanks for all the Highlight magazine slips returned. We will be able to get some fun stuff for the class. Also thank you for sharing with your child about your life when you were young.

Red Wheel went home this past week. It is due Feb. 2

Book reports are due Jan. 31

Give your child a hug today. They are doing wonderful in 2nd grade.

I also wanted to mention and say “thank you” to all of you who donated “used toys” at Christmas time. The place I gave them to ran out of toys and other groups brought more in, so your donations were greatly appreciated and went to a loving child. Thank you.

Have a great weekend.

Carla Proctor
