

Classroom News

Teacher: Mrs. Phillips

Date: January 23, 2011

A Look at Our Week

We are going to be discussing time and learning how to tell time to the hour. I am sending homework home today.

We are going to discuss characters, setting, and details in a story.

We will be doing some fun science experiments.

Learning about months of the year.
Counting and writing to 100.

3rd Quarter Sight Words:

am, can, for, going, got, here, his, it, so very, you

Reminders

Please turn in January Book It forms at the end of January or the beginning of February.

The children will need to bring in their 100 items next week.

Please send Valentine cards and boxes no later than the morning of February 14th.

Special Notes

A big thank you to Ethan Phillips and his family for donating some toy farm equipment to our classroom.

Valentine items again listed on the back.

Upcoming

Our 100th Day Celebration will be held on Friday, February 3rd. This is a VERY exciting day!

You will be receiving information later this week about a writing project we will be doing.

Thank you for helping your child with their job of being the meteorologist. They take this job very seriously!
