

Classroom News

Teacher: Mrs. Phillips

Date: February 20, 2012

A Look at Our Week

Learning about Presidents' Day

Learning about our American Symbols and the United States map. Your child will be bringing home a sheet related to this.

The children will be learning more about Reading Strategies to help them read. I am sending home a copy of this and "Ways to Read". Hopefully, this will help you and your child when reading together.

Measuring—Learning about length, height, and weight

Reminders

Please remember to send in those messages. We will put away our mailbox on the last day of February. Thanks for your participation!

Friday will be the last day for Pennies for Patients.

Special Notes

We began working with our Number Rolls. These are used to encourage children to write their numbers as far as they can. I had one very motivated kindergartner in a previous year who wrote past 3,000!!! If your child chooses to take their Number Roll home; please help them to remember to bring it back daily.

Please contact Shelly Froehlich if you are interested in participating in the walk for Amy Elifrits (Hillary's mom) or would like to purchase a shirt.

Upcoming

We are going to learn about an author by the name of Mo Willems. He has written many "Piggie and Elephant" books that are great for beginning readers.

Dates:

- 3/6 P.T.A. Meeting
- 3/9 Early Dismissal (12:40)
- 3/13 Culver's Night
- 3/15 Spring Program (7:00)
