Teacher: Mrs. Phillips

Date: January 9, 2012

A Look at Our Week

We will finish up our Money unit this week.

We are going to begin a unit working with shapes.

Be sure to ask your child about their "Office" they have been using during their writing time.

Counting by fives and tens.
Winter activities

Working with vowels and the rules used to help us read. Please see attached note that explains this further.

Sight Words: am can for going get his it so very you

Reminders

I will be working tomorrow night at Culver's from 5:00-8:00. I hope you can make it.

If you happen to have Chapstick at home, please send some in your child's backpack. We have had a lot of chapped lips lately.

Please send in \$38.00 for your child's afternoon snack and milk.

Special Notes

It will soon be time to plan for our Valentine party. This will be held on Tuesday, February 14th, at 2:30. Each child will need to bring a box or bag that has been decorated at home. We will pass out Valentine cards. I have listed the spelling of each child's name on the back. You will also find a list of party "assignments."

Thank you for donating toys for our Kindergarten Store. This is always a fun day.

Upcoming

We will celebrate our 100th Day of School on Friday, February 3rd. This is a big celebration at Avenue City. To help them understand the concept of "100", I like to have the students bring in 100 items to compare and count. Past items have included Barbie shoes, pennies, M&M's, cars, beads, etc... You may send them at the beginning of February.

Happy Birthday to Kayle. She turns 6 today. This is the first birthday we've had this school year. (We have a lot of spring and summer birthdays.)
