

Classroom Times

Teacher: Mrs. Phillips

Date: September 6, 2011

Look What We're Studying...

The students will be learning color words.

We are finishing up our Friendship unit. The children have learned to spell "friend". They also have sentences to read with you.

Patterns!!! This is always a fun unit. I will need volunteers to help us with a project next week. Please be on the look out for an information sheet to be going home this week.

Learning about Living and Non living items

Reminders

School Pictures will be taken Thursday. Please send in payment and form by Thursday morning if you would like to purchase pictures.

Special News

I have been very pleased with the children's behavior and listening skills. They have also been very mannerly and kind to each other. What a way to start out the year!!!

Our Share and Learn is also going great. We have seen some interesting items—a violin, Hermit Crab shells, football items, and a rock collection. Your child will bring a form and bag home when it is their turn to bring an item.

Dates to Remember

September 12th-No School Teacher In-Service

September 13th-Culver's Night from 5:00-8:00
Our school receives a percentage of sales during this time.

Other News

We have been discussing the September calendar. You may have some important dates to share with your child about this month.
