

Third Grade Newsletter

News for Next Week...

Reading: This week's story will be Two Bear Cubs. We will use this story to compare and contrast characters and actions of the characters in the story.

Math: We will be doing an online MAP Math Tutorial to practice using the online tools for our upcoming state assessments. We will be reviewing many concepts from over the course of the year as well as some skills from last year.

Science: To continue our unit on weather and climate, we will be using information from line plots to determine weather patterns in various parts of the world. We will also continue to work on our science fair projects by creating data tables, checking our previously made hypothesis statements, and working on conclusion statements.

English: The students will complete be working more with personification and idioms as we continue deeper into our figurative language unit. We will also hopefully have time to begin discussing poetry toward the end of the week.

Avenue City Elementary

From: Mrs. Scott

April 19, 2024

☺ Field trip on April 26th to Hannibal! See the information sheet sent home today with last minute details!!

MAP TEST SCHEDULE:

April 30: Communication Arts Part 1

May 1: Communication Arts Part 2

May 2: Communication Arts Part 3

May 7: Math Part 1

May 8: Math Part 2

*All sessions begin around 8:45 and are not timed. Please try to schedule any appointments on other days or at least in the afternoon times of the days listed above if possible. Students may bring a small snack (not messy) to have upon completion of the test each testing day and will need to have outside reading books available both weeks.

Important Dates to Remember...

April 26: Field trip to Hannibal!! Students need to dress appropriately for the weather, bring a sack lunch, and money for supper. If they choose to bring money for souvenirs, this will be their responsibility.
