

Room Parent Needed...

Avenue City School is looking for a few good parents...

What is a "Room Parent?"

- A "Room Parent" helps the teacher with the coordination of events during the year.

What might they do?

- They would be in charge of calling to remind parents who have signed up for holiday parties, what they are scheduled to bring and when the party will be held.
- In younger grades, you might be needed to help with supervising at the party.
- They might also be called upon to help find volunteers for field trips.

Time commitment:

- 3-5 hours for the entire school year

If interested please return this form to your child's teacher.
