

Third Grade Newsletter

News for Next Week...

Reading: This week we will continue our dinosaur research and project to supplement our current story. Students will use the information that they have researched to create a mobile to display the information unique to their dinosaur.

Math: As MAP testing is around the corner, we will be doing a lot of review activities of concepts we have learned throughout the year.

Social Studies: We have completed our last unit for the year. We will be using this time to work on our Science Fair group projects. We will use the scientific

method to conduct experiments, record information, determine conclusions, and organize information.

Science: To continue our unit on weather. We will be learning about how the climate and seasons work in various parts of the country.

English: Figurative language will continue as we learn about personification and idioms. We will be using several children's books to determine examples of various types of figurative language.

Avenue City Elementary
