## Testing Schedule

Tuesday, Wednesday, Thursday

English/Language Arts

8:45–until we are finished: this test is not  
timed.

May 6, 7, 8: Math testing

8:45–until we are finished. Test is not timed.

## Test Week is Coming

We will begin our state assessments next Tuesday! Because of testing, our schedule in the mornings will be centered around the testing times. Students need to get a good night's sleep, have breakfast, and be ready each morning. They are ready!! There will not be a new spelling unit next week and although we will still continue with afternoon schedules, there will not be homework during testing weeks. Please try to schedule any appointments for the next 2 weeks around our testing schedule if possible to avoid your child having to make up the test another day/time. THANK YOU!!

## Reminders

- April 29–May 8: Testing
- \*Students may bring a small snack each day of testing (T, W, Th) if they wish, to have after we are done testing for the day.
