Avenue City Elementary

Looking at Next Week...

Reading: This week we will be working on a research dinosaur project for most of the week. We will also be working on some MAP prep to prepare for our upcoming state assessments.

Math: We will have a short test over chapter 7 on Thursday. This will cover units of liquid volume, mass, weight, and classifying shapes according to attributes.

Science: Students will continue Unit 4 over weather. This week will include using weather data to con-

Spring has sprung!

struct line plots and use the information from their line plots to study weather patterns we have noticed recently.

Social Studies: We have completed our last unit over states and capitals. We will use this time period to begin work on Science Fair which will be held in May. Next week we will be getting into groups of 3 and looking at ideas for topics for research and testing.

Language Arts: We will begin the next unit over figurative language. The students will learn about similes and metaphors and we will include personification the next week.

Dates to Remember:

April 8: Solar Eclipse-we will watch this as a school around 1:55.

April 9: Culver's Night from 5:00-8:00.

April 13: ACES BINGO Night from 5:00-7:00

MAP (Missouri Assessment Program) Schedule: Please try not to schedule any appointments during our testing times if possible. It is so important that students are focused, on task, and ready to test. I appreciate your help with this!!

Communication Arts MAP test

April 30: 8:45 until finished

May 1: 8:45 until finished

May 2: 8:45 until finished

Math MAP test

May 7: 8:45 until finished

May 8: 8:45 until finished

*Any student who misses school during testing will be required to make up the test when they return.

During MAP days, students in our class are allowed to bring a small snack to have if they choose to do so. Please do not send anything messy, and nothing more than a simple snack. This is totally optional and only on the dates of testing, please.
