

Third Grade Newsletter

Next Week Information

Reading: This week we will finish our story, Yonder Mountain. We will work on triple venn diagrams using the three main characters from the story to compare and contrast story events and characterization.

Math: Students need to continue working on all multiplication and division facts regularly. Unit 5 will take us into decomposing shapes and calculating the perimeter and area of the smaller shapes to understand the area and perimeter of the shapes when put together.

Important Dates...

February 26: Bookmobile at ACES.

February 27: Ag Education

February 28: 2nd/3rd grade book club.

Science: Our objective next week is to make and test designs to determine who environmental changes can affect adaptive/non-adaptive traits in organisms.

Social Studies: We will continue our research about famous Missourians. Students will be learning how to create Google Slides to make a presentation about the person that they are studying.

Language Arts: The students will be working more with using correct verb tenses when writing. We will also learn about irregular verbs and how to use them correctly when creating sentences. Mountain Language continues daily as well.
