

CLASSROOM NEWSLETTER

March 24-28, 2025

Grade 3

Looking at the Week!

Reading: We will begin the next story which is from the book Ramona Quimby, Age 8. This will just be a couple of chapters from the actual book, but we will work on character actions that affect the direction of the plot of the text.

Math: Unit 5 continues as we learn more about area and perimeter. We will be creating robots based on specs of area and perimeter toward the end of the week.

And Continuing..

Science: We will be testing out Robograzers, modifying, and retesting to see how the scientific method works!

Social Studies: We will continue our states and capitals unit.

Language Arts: Be ready to begin figurative language!!

Upcoming Events

- March 24: Bookmobile at ACES
- March 27: Spanish Club

Have a wonderful spring
break!!
