

Third Grade Newsletter

News for September 11-15, 2023

Reading: Next week, we will have our reading quiz on Tuesday over The Trial of Cardigan Jones. We will then spend some time working on alphabetical order of words. Moby Max has some extra practice skill lessons that we will be using to work on using guide words when alphabetizing.

Math: We will continue our unit on multiplication -this unit is a huge component of our curriculum and we will spend a lot of time on it in order to prepare for all of the rest of the year. It is going to be really important that students practice the facts that we work on in class, at home. They will need a person to be their homework helper to practice their facts often.

Science: We will continue with unit 1: Force and Motion. We will get into observing evidence of gravity and forces in chain reactions.

Social Studies: The class will continue their unit on the regions of MO. We will be doing an art project to demonstrate understanding of the regions.

Language Arts: We will begin a literature set of a story entitled Weslandia which will lead into our first writing, which will be a narrative writing. We will also work on The Essential 55

(ask your child about this, they

should be demonstrating the first couple of rules when speaking to others. Using eye contact and speaking respectfully to

Fall is near!

Important Dates

- If you are ordering book orders through me, please send your order by September 18th. Online ordering is available if you prefer to order that way. A link is on DoJo Class Story.
- September 12: PTO meeting at 6:30-all parents are invited!! This is a great way to be in the know of what is happening at school and get involved!
