

AVENUE CITY SCHOOL DISTRICT

Enrollment During 2020- 2022-Pandemic: For safety purposes, enrolling students will be required to submit enrollment information via an on-line process during the 2021-2022 school year.

To better ensure the school remains free of potential COVID-19 exposure, students enrolling from non-Missouri Schools are ineligible for in-person schooling for a 7 day waiting period. Students desiring enrollment must be a district resident prior to submitting on-line enrollment documentation. The 7 day waiting period will begin when on-line enrollment forms have been received and acknowledged by the district.

Students enrolling from Missouri communities that have been identified as COVID-19 "hotspots" or potential "hotspots" will be required to meet the same standards as stated above. Identification of "hotspots" will be provided by the Andrew County Health Department

Parents/guardians of all enrollees will be required to verify that the enrolling child(ren) has/have been free of COVID-19 symptoms during the 7 day waiting period.

Resident students will be provided learning activities during the waiting period.
