

Dear Parents,

Wow! What a way to start the 4th Quarter. Please know that I will be missing your child everyday and hoping to see them back at school soon!

While we are away, I want to make your and your child's days as stress free as possible while continuing their learning. During this break, students will be expected to:

1. Login to MobyMax and complete a Math and ELA assignment each day we are missing school. These will be assigned by myself and located on my teacher corner of the ACES website. Look back daily for new lessons to complete.

MobyMax webpage: <https://www.mobymax.com/signin/jatchity>

My webpage where you can find daily assignments:

<https://www.avenuecityschool.org/vnews/display.v/SEC/Teacher%27s%20Corner%7CFirst%20Grade%3E%3EAtchity%2C%20Jori>

2. Read one book on their reading level each week we are gone and take an AR quiz on it. We sent home lots of extra reading books to help with this.

AR website: <https://global-zone51.renaissance-go.com/welcomeportal/193660>

All login and password information is on the back of this paper.

The rest is purely optional!

1. Home Learning Bingo
2. Learn at Home - Tech free and tech ideas for those in between times
3. Books to read and school supplies
4. Some free websites will be linked to my portaportal under the tab "Spring Break":  
<https://guest.portaportal.com/jatchity>

Lastly, if you are like me you may be thinking "How am I going to keep my day from getting crazy and my kiddo from getting bored?" I have included an example daily schedule that may help you to answer those questions.

If you need anything over break, ANYTHING, please don't be afraid to reach out! The way you can get ahold of me is by my email listed below. Remember - You're Awesome! You're the Best! You Rock! And I pray that your family stay safe and healthy during this time.

-Mrs. Atchity
