Special Notes

Cold weather update: If it snows, kids are required to have waterproof boots (snow boots, mud boots, rain boots, etc.) to play in it. If they do not have waterproof boots, they can bring a spare pair of shoes and socks to change into after recess. We don't want their feet wet all day after playing in the snow. If they do not bring appropriate shoes they will not be allowed in the snow.

Thank you SO much for all of the donations to the animal shelter and animal rescues! They were greatly appreciated and needed at this time. Way to go ACES!!
