Special Notes

Please be sure to connect with our classroom on Class Tag. This will be my primary form of communication with you. I will post newsletters and share pictures from our time together. If you need a new Class Tag login paper for your student, please let me know!

Our class is looking forward to a great year here at ACES!! I know a few of you asked if our room is in need of anything. We can always use consumable art pieces like pompoms, pipe cleaners, colored popsicle sticks, etc.

Here is a link to our first grade wish list on Amazon which has books, supplies, and games that we would love to have in our classroom:
