Special Notes

Please be working with your child on:

- tying their shoes
- writing their name neatly
- quarter 4 sight words (read all 50 words in 2.5 minutes)

From now on, in reading, the students will be required to read 100% of the test on their own, if they haven't already been doing so. We are working towards independently taking the reading test by the end of the year. In second grade all students are expected to read the entire test and complete it themselves. This is our last step towards that. Be aware that grades will reflect your students independent reading ability.

Please send warm coats for morning recess when it is cool out!
