 September  
 October  
 November  
 December  
 calendar  
 Tuesday  
 Thursday

On Thursday we will begin working on our science fair projects. We will be completing our experiments **IN** class. Once students have decided on their experiments, I will send more information.

Until then, if you have any questions about the science fair, please feel free to ask. I know this is new to most of you considering your children did not get to experience it last year in third grade.

### Lesson Preview

**Social Studies:**  
 Westward Expansion

**Math:**  
 Geometry - Polygons

**Science:**  
 Earth's Resources
