sisters'
children's
wife's
sons'
farmer's
poets'
group's
calf's
poem's
calves'
herd's
couples'
wives'
daughter's

Important Info

Next week students will be putting together their trifolds in order to prepare for the Science Fair. If your child brought a camera to school to take pictures of their experiments, please make sure you have them printed over the weekend. Our Science Fair will be held on Tuesday, May 11th.

This year's science fair will be virtual. I will be filming each presentation and posting it on Class Dojo. Please keep an eye out for those videos. Your children have been working so hard and are so excited to share their findings with you!

Lesson Preview
