For the week of Jan. 9-13

Second Grade

Reading - We have started reading from the *Magic Tree House* series. We have finished book 1 and have started book 2. Please **Do Not** read any of these at home just yet. It will spoil the ending surprise if you do which ruins it for the entire class. Books may come home from school for your child to read certain chapters. We will be working on vocabulary and comprehension/story structure with this book.

Spelling - We will begin learning how to spell multi-syllable words. Words will come home on Monday, sentences on Tuesday, pre-test on Wednesday and the final test on Friday.

English - We will continue to learn about nouns. We will be working with collective nouns and making a book of them.

Math - We are going to be working very hard to memorize our subtraction facts, so we can start working with larger subtraction problems. Facts may come home for your child to practice. This will be very important for your child to practice to be successful with math this quarter.

Science/Social Studies - We have started learning about Earth Science. We will be discussing how the Earth changes and Earth's surface.

Share Time - Bring an item you received over the winter break.

Reminders -

PTO meeting - Tuesday, Jan. 10 at 6:30

Bookmobile - Monday, Jan. 23

Book Club for grades 2-3 - Wednesday, Jan. 18th

4 book reports are due at the end of the month, Jan. 31st.

Have a great weekend,

Carla Proctor
