For the week of Sept. 6-9

Second Grade

Reading - We will be reading a Henry and Mudge story this week. The book will come home to practice reading on Wednesday or Thursday. We will also be working with alphabetizing and short vowel sounds.

Spelling - No spelling this week due to the short week and beginning of the year.

English - We will begin discussing what makes a complete sentence.

Math - We have started to memorize our addition facts. We are practicing those facts whose sums are lower than 10, and begin discussing a strategy for +9's. We will not be using our fingers this year. This prepares us for larger math problems and multiplication.

Science - We will be taking a science test over the life cycles of butterflies and frogs. A study guide will come home to study.

Social Studies - We will begin a short unit on heroes. We will be discussing heroes in our everyday lives and 9-11.

Reminders -

No School - Monday, Sept. 5 - Labor Day

Picture Day - Wednesday, Sept. 7

Have a great 3-day weekend,

Carla Proctor

Sindie McCourt
