

Valentine Parties – Tuesday, Feb. 14 at 2:30-3:05

Valentine and Valentine Boxes/Sacks – Each child is to create a valentine box or sack at home. Be as creative as you would like, but it must have a hole large enough to put valentines in and maybe a piece of candy and your **child's name** should be clearly visible somewhere on the outside. You may bring them to school on Monday or Tuesday. If your child would like to bring Valentine cards, they must bring one for every child. We will hand out Valentine cards earlier that day, so make sure all items are here **first thing** Tuesday morning, Feb. 14.

Below is a list of students and how to spell their names. Please have your child fill out the Valentine's and write their name and their classmates' name. It is a great learning experience for them.

Audrey	Mason	Samara	Sully	Oliver
