

For the week of March 21, 2022

Second Grade

A big thank you to all parents who helped their children on our AMI/virtual days. I know those are crazy days for you, and putting education a priority at home instills a great work ethic in their future lives. Your children were wonderful on Zoom and getting their assignments done.

Reading - We will be working on our plays and hopefully present them to other classes on Wednesday. Then we will be reading a folktale from South America called Half Chicken. We will be working on silent letters, antonyms, and cause and effect.

Spelling - Normal week for spelling. Words will come home on Monday, sentences on Tuesday, pre-test on Wednesday and the final test on Friday. We will be working with contractions. They will also be learning what 2 words make up each contraction and the pattern for spelling them.

English - We will begin writing a complete paragraph with an introduction and conclusion.

Math - We will be working with 3-digit numbers and introducing 1000's. We will have a test over this unit on Friday.

Science - none this week

Social Studies- We will be learning about Missouri.

Share Time - Is back! Bring an item of your choice on Friday.
