

For the week of March 28-April 1

Second Grade

Thank you to all parents for helping your child with their part in the play. Thank you for helping them find the right clothes or sending props for our plays. The class loved doing them. The other classes loved watching them, and the 2nd graders did great. I hope you all enjoyed watching the videos. With all the absences, I didn't know if we were going to be able to present them.

Reading - We will be reading the folktale *Half Chicken*. We will be working on silent letters, and cause and effect. Books will come home at the beginning of the week to read. We will take our test on **Thursday**.

Spelling - Normal week for spelling. Words will come home on Monday, sentences on Tuesday, pre-test on Wednesday and the final test on Friday.

English - We will be working with verb tenses this week.

Math - We will begin a short unit on multiplication. We will learn the meaning of multiplication and memorize a few facts. We will also learn the meaning of division.

Science - If time we will do a few experiments.

Social Studies - We will continue to learn about needs and wants.

Share Time - Bring something that represents or is from Missouri.

Reminders

Spring Musical Thursday, March 31 - 2nd graders come to the classroom at 6:15. Book fair and art fair will be going on at that time too.

Book reports are due on March 31.

PTO is still looking for volunteers to help at Spring Fling - work a 30 minute slot at a fun booth.

Have a wonderful weekend,
Carla Proctor
