

For the week of Nov. 15-19

Second Grade

Reading - We will be reading a non-fiction article about Jellyfish called Jellies. This story has some interesting pictures.

Spelling - It will be a normal week for spelling, words on Monday, sentences on Tuesday, pre-test on Wednesday and the final test on Friday.

English - We will be working on our "how to" writings.

Math - We will continue to work with money and 2-digit addition and finish our chapter with a test. I have some students who are confusing quarters, dimes, and nickels. Please check to see if your child recognizes their coins, and if they are having difficulty, please help them identify them so they will not be frustrated in math.

Science - We will be taking a quiz on Monday over matter. A study guide went home already. We are having to test on a Monday so that we can squeeze in all items before the Thanksgiving holiday.

Social Studies - We will be learning about the Thanksgiving holiday.

Share Time - Bring items from a collection. What do you collect? Bring a few items from your collection and tell us about them. Why do you collect these things?

Reminders -

Four book reports are due on Nov 30. Turn them in before Thanksgiving if you are finished early. I already have some turned in.

Culver's Night - Tuesday, Nov. 16 - from 5:00-8:00. **I will be working.** 15% of all sales goes to Avenue City.

Thanksgiving week - Early out Wednesday at 12:50, no school, Thursday, Friday and the following Monday, Nov. 29.

Have a wonderful weekend,
Carla Proctor
