

For the week of Sept. 27-Oct. 1

Second Grade

Reading - We will be reading a long story, but fun, called Teacher's Pet.

Books may come home twice to practice reading. If your child struggles reading their story, they can always bring it home more than one night.

Please tell your child to bring it home again, and let me know and I will do my best to remember to send it home again. We will be working with beginning blends also. We will take a test on Friday.

Spelling - This is a normal week for spelling. Words will come home on Monday, sentences on Tuesday, pre-test on Wednesday and the final test on Friday.

English - We will be working with types of sentences - commands, questions, statements, and exclamatory.

Math - We will continue to practice memorizing the addition facts. We will also continue with word problems. Right now, we are writing equations and drawing pictures to help us understand the structure of word problems, so when we reach larger numbers we will be able to set up correct equations.

Science - We will continue to classify the vertebrate animal groups.

Social Studies - none this week

Share Time - Bring an item of your choice.

Reminders -

A big thank you to all the parents who returned the Highlights slips. I received enough to order some games for the classroom.

A big thank you to all who went to Culver's to support our school. I will be working the next one.

Please return parent conference notes if you have not done so.

Have a wonderful weekend,
Carla Proctor
