PTO Trash Bags for Sale

Trash bag sales are one of the ways the PTO raises money to support Avenue City Elementary School and its students. Trash bags are available for sale year-round. You may contact one of the PTO Executive Committee members or the school office to purchase trash bags. Trash bags will be delivered to your student unless a large quantity is ordered, then other arrangements for pick-up will be made.

The following trash bags are available for sale:

- White – 15 gallon
- Yellow – 39 gallon
- Blue – 55 gallon

Each roll of trash bags is \$12 and checks can be made to **Avenue City School PTO**.

If you would like to restock your trash bag supply, please complete the form below and return to school. Once again, trash bags are available for sale the entire school year.

Thank you for supporting ACES PTO!

Name: _____

Phone Number: _____

Student Name: _____ Grade: _____
