

Mrs. Svendsen's Kindergarten News

Reading – These kiddos have been doing awesome learning their sightwords. Thank you for helping them at home! This week's words are *it, be, and for*.

Our theme this week is Reindeer. We will learn about nonfiction text features and how to label.

Math – We are comparing and ordering height, weight, and capacity this week. As you're doing your holiday baking, ask your child to help. It'll fit along well with this unit on measurement.

Music Program – The ACES music program will be on Thursday at 6:30 pm in the gym. Students may begin arriving to our classroom at 6:15 pm. Kindergarten will perform at the beginning of the program and then be released to their parents.

Giving Tree – To show a Christmas act of kindness, we will be collecting pet items to donate to Creatures by Theresa, Mshoogy's Pet Rescue, and The Tortoise Run Farm. These are all local organizations that can use our help. A list of suggestions was sent home earlier this week. We will place all new, unwrapped items under a tree in our classroom throughout the month. The final day of the collection will be December 16. Thank you!

Gingerbread Houses - Every year, I like to have the children make gingerbread houses, but need donations to do so. If you can donate any of the following items, please send to school by Wednesday, December 14: white frosting, graham crackers, any small candies or food for decorating with, small paper plates, plastic knives or little paper cups.

Thank you!
