Heartwords

the	and	of
is	am	I
here	go	my
like	at	on
it	be	for
as	can	not
you	do	are
will	me	did
with	all	too

Reading – Our heartwords this week are *with, all* and *too*. Students should be able to read cvc words now and identify words with digraphs (ch, sh, th, and ck). Read together each night to build confidence!

Our theme this week is *Polar Bears*. We will focus on characteristics of nonfiction text.

Math – This week we will begin our unit on 3-dimensional shapes. We will explore and identify cubes, cones, cylinders, and spheres.

Writing – We have learned to correctly write all of our letters, so now we are perfecting sentences. We are focused on capital letters at the beginning, punctuation at the end, finger spacing, and trying to spell words phonetically.

Science - This week we will study the effects the sun has on us and our planet.

Snack Fee – Just a reminder that we have a \$50 snack fee for the remainder of the year. Please pay by the end of January. This will cover a milk each day as well as a snack.

Snow Days – Just a reminder, if we should have a snow day in the future, our class will meet via Zoom at 9:00-9:30 am. Then, your child will be assigned a few lessons in MobyMax. The user name and password have been sent home. Please check announcements on ClassTag for further instructions and do those snow dances! 😊

If you ever have any questions, comments, or concerns, please feel free to contact me at school or email me at asvendsen@avenuecityschool.org.
Have a wonderful weekend!
