

# Mrs. Svendsen's Kindergarten News

**Reading** – This week our theme will be dinosaurs. Our new heartwords will be *where*, *what*, and *must*. They are getting more challenging, so please keep practicing at home.

We are moving on from our CVC words to reading words with 'what's your name e' at the end (like, bike, cake, etc.).

**Math** – We will review comparing two numbers this week using the following terms: greater than, less than, and equal to.

**Writing** – This week we will continue working on our class book. If you would like to order a copy from Student Treasures, please return the order form by the end of the week. These are wonderful keepsakes!

**Science** – We will discuss the role of paleontologists and create our own fossils.

**Flat Stanley** – We are going to be beginning our Flat Stanley projects soon and need your help! Please return the form with an address of someone, outside of Missouri, who would be willing to be a host by March 24.

**Recess Attire** – As the weather is starting to get warmer (thank goodness!), please remember that it is still a little chilly during our first recess. Your child should have a jacket or something to cover their arms on those cold mornings. Hopefully, it'll continue to be warm enough for no coats in the afternoons!
