

Mrs. Svendsen's Kindergarten News

Reading – Our theme this week will be rabbits as we review nonfiction text features and sequencing. We will review the sight words we have been learning.

I am so proud of the reader your child is becoming! Take advantage of this exciting time and encourage your child to read to you and others as often as possible.

Math – This week we will continue learning about addition strategies. Your child should be able to combine two single digit numbers.

Grammar – This week we will learn about prepositions. These are words like up, down, behind, besides, etc.

Writing – We will continue writing words and sentences to gain confidence and independence

Science – We will learn about simple machines.

Tying Shoes – We are beginning to work on tying shoes. Please reinforce at home.

Spring Fling – Thank you to all that donated money to help put together our basket! Don't forget to check out all the awesome items, the carnival games, and the food at this year's Spring Fling! Purchase your wristbands in advance to save some money.
