

Mrs. Svendsen's Kindergarten News

Reading – This week our heartwords will be *please, own* and *saw*. We have started our Heartword Baseball game. Have your child tell you about it! Once they can **fluently** read all 60 words, they will earn their home run prize!

Our theme this week will be plants as we review nonfiction text features and sequencing.

Math – This week we will practice using our addition skills to solve story problems that could happen in real life. They'll have to decide which type of strategy would be best to solve different types of problems.

Science – This week we will continue to learn about living things and life cycles.

Scholastic Book Orders – Our last book orders of the year are due on Thursday. This will be a great time to start stocking up for summer reading! You may order online at scholastic.com/book-clubs.

Tying Shoes – We have been practicing tying shoes in our classroom and with our 5th grade study buddies. Just a reminder that this is on the kindergarten report card, so practice at home as well!

End of Year Countdown – Tuesday – Aces Day, Wednesday – Bubble Day, Thursday – Chalk Day, and Friday – Dance Day. We are going to have sooo much fun counting down to the end of the year! ☺
