

# Mrs. Svendsen's Kindergarten News

**Stanford Testing** – Kindergarten will take their standardized test, the Stanford, next week. We will do a different section each day. Please make sure your child is well rested and ready to do their best! They've learned so much this year and I know they are going to do great.

**Reading** – We have learned all of our kindergarten sight words. Once they can **fluently** read all 60 words, they will earn their baseball home run prize! Our score is currently 8!

Our theme this week will be pirates as we review inferencing and sequencing.

**Math** – We will learn all about subtraction this week.

**Science** – Force (push and pull) will be our topic.

**Flat Stanley** – We are having so much fun checking out all the adventures we've had! We will continue sharing projects as they come in. We will not have time before the end of the school year to write thank you notes, so please help your child call or send a message thanking their hosts. If you are in need of the addresses, please let me know, as I still have them. Thank you!

**End of Year Countdown** – Monday – Lights Out Day, Tuesday – Movie Day, Wednesday – Neon Day, Thursday – Opposite Day, Friday – Pajama Day.

Week of  
April 25 - 29
