

Mrs. Svendsen's Kindergarten News

Field Day – Field Day will be on Monday, May 15th. Please apply sunscreen at home and send a water bottle labeled with their name. Also, please make sure your child is in tennis shoes and dressed appropriately for a fun morning of being active outside.

Early Out – Just a reminder that the last Monday and Tuesday of the year are both early outs. We will dismiss at 12:50 pm. If your child is going to be doing something different for dismissal, please send me a note or email.

Summer Slide – It is normal for students to regress a bit in their learning over the summer. However, we want to limit this, so they are well prepared for next year. The best thing to do is to encourage your child to read, read, read as much as possible! Sneak in some adding and subtracting into your summer fun, too and they'll be good to go!

I cannot believe we are at the end of our school year already! This year, has flown by! I have been so blessed by your children and the memories we have made. You should all be so proud of their progress and how much they have grown this year. I sure am! Their excitement towards learning and their love towards others is just incredible. Thank YOU for being so supportive and an active participant in your child's education. I hope you all have a wonderful summer!

Love,
Mrs. Svendsen
