

Mrs. Svendsen's Kindergarten News

Reading – Letter identification and letter sounds are still our focus. We are beginning to put sounds together to build consonant-vowel-consonant words (cvc). Continue practicing their Olympic lists at home. They've made such great progress already!

Our theme this week will be pumpkin as we compare fiction and nonfiction texts.

Math – We have finished learning all about the numbers 0-10. We will continue practicing writing the numbers without reversals. This week we will learn about story problems and sequencing numbers.

Science – It's all about pumpkins this week! We'll learn about pumpkin life cycles and do some scientific observations.

Handwriting – We are continuing to focus on uppercase letters. This week we will learn I, T, and J.

Parent-Teacher Conferences – Conferences will be on Thursday. Please make sure to arrive at your scheduled time. I look forward to meeting with each of you!

Halloween Parade - Students will be allowed to wear school appropriate costumes on Halloween. They will walk around in the gym at 2:15 for an all school parade. Feel free to come if you would like!
