American History:

We will continue learning from Ch. 13 "The Changing American Identity" where we will study the pull of immigrants to America from other countries, the opposition to immigration from U.S. politicians and citizens alike, the Transcendentalist movement, the Second Great Awakening, and the Abolitionists movement.

Science:

Students will begin their next science unit: Natural Selection. Students will explore variation and distribution in populations, investigate changes in trait distribution, and learn about adaptive traits.

Please be reading for your 2 nonfiction ARs that will be due on March 6th. Get these books checked out, read twice, and take the quiz over each one!

****Some of you are not reading fiction books on your own. Remember that you need to read and pass at least three fiction books on your own. These will be due on May 3rd. Completion of the reading circle requirements are equivalent to a 100% quiz grade. The only way you become a better reader is to READ!**

Parents, Please Note:

Students may bring juice/soda on Fridays if they have not had any lates, IA, or referrals to the office. They may enjoy these in my room after lunch.
