

May 9 Newsletter

Third Grade Classroom with Mrs. Scott

NEXT WEEK HAPPENINGS

*May 14: Science Fair Parent Night from 5:00-6:00 p.m.

*May 15: Field Day-bring sunscreen, tennis shoes, and water!

*May 16: Talent Show at 1:45

NEXT WEEK

We will study:

Reading: We will begin our last unit with a story,

Albertosaurus Mystery. We will use this story to research the geographical location of where paleontologists have worked to discover fossils of these dinosaurs.

Math: We will be doing a STEM project to create a city using a budget to purchase materials, design, and create using the purchases they have made.

AND MORE!

Social Studies: We will be working on a citizenship project and learning more about fairness.

Science: The Science Fair is Wednesday for the students during the school day and parents, guardians, grandparents, etc. from 5:00-6:00 in the ACES gym.

Language Arts: We will be typing our final narrative stories to finish up the last unit of the year.
